Training Alerts

3. Training alerts were staged twice monthly. They took place during normal duty hours. Troops had to assemble on the parade ground with field equipment, arms, and gas masks. After roll—call by the NCO in charge of the groups, the troops were dismissed. Airdrome maintenance personnel did not participate in these alerts. During alerts, aircraft were grounded.

Chemical Alerts

4. Chemical alerts were staged once a month. They took place between 0800 and 1200 hours. All personnel assigned to Mlada Airfield had to wear their gas masks. Source had no further information.
